Professional Engineering Continuing Education (P.E.C.E.)
PO Box 8320
White Plains, NY 10602
Attn: Robert B. Louie
(via email)

Dear Mr. Louie:

I am writing in response to your request to renew your approval as a continuing education provider for registered architects in New York State. I am pleased to inform you that Professional Engineering Continuing Education (P.E.C.E.) has been approved as a sponsor of continuing education for the period of 8/1/10 - 7/31/13.

A visit to our website at <http://www.op.nysed.gov/prof/arch/archce.htm> may answer most questions that may arise as the (P.E.C.E.) continues to develop continuing education programs.

This approval will run consecutively with your sponsor approval with the New York State Board for Engineering/Land Surveying. If you intend to renew this approval, you will be required to submit an application, along with the appropriate fee, prior to your expiration date. If you discontinue operation of this continuing education program, please notify this office regarding maintenance of records.

Please note that subject areas that do not contribute to the professional practice of architecture as defined in section 7301 of the Education Law, such as, risk management, limiting the design professional's liability, project management related to profitability and maximizing fees, marketing and public relations, insurance, laws related to arbitration, mediation, liens (unless they relate to safeguarding the health, safety, and welfare of the public), real estate, real estate development, expanding a design professional's business, basic AutoCAD, personal development, general office management, accounting/financial planning, succession planning, zoning as it relates to increasing a developer or architect's profitability, design build (unless 75% of the course content relates to the laws related to design build in New York State) are not acceptable subjects.

I would like to thank you in advance for your efforts at ensuring that licensees remain current with changes and development in the profession. Through this increased knowledge base, all New Yorkers will be better served and protected.

If you have any questions regarding this approval, please contact the Board Office. The contact information is provided above.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rob Lopez', with a long horizontal stroke extending to the right.

Robert Lopez, RA
Executive Secretary
